### STATEMENT OF INTENT

It is the intent of the INA's Better Newspaper Contests to recognize and reward Iowa newspaper enterprises for content of a local nature, that content which is unique to the communities the newspapers serve. However, the INA Contest Committee and its boards of directors also recognize that the contests must reflect an evolving industry, one which is outsourcing and collaborating on content more than ever before. To better reflect how newspaper enterprises operate today, changes have been made in the eligibility guidelines to allow entries by those not on the staff of the newspaper company, if certain criteria are met (defined under eligibility). It is the INA's hope that each newspaper will critically evaluate those entries not produced by its own staff to ensure all the criteria are met and that the integrity of the Better Newspaper Contests is maintained.

**Submission dates will be an 11-month cycle this year due to moving to an August-August eligibility calendar. Cutoff date for eligibility this year will be August 31, 2023.**

**All entries should be submitted online unless otherwise noted.**

See the Entry Guide for instructions on using the online entry tool. Payments can be made online using a credit card or by mailing a check to the Iowa Newspaper Foundation.

Categories that allow mailed hard-copy entries:

- Total Newspaper Design *Entries in the Total Newspaper Design category must be submitted by hard copy*

**For mailed entries, entry tags must be produced and printed through the [BetterNewspaperContest.com](http://BetterNewspaperContest.com) online system.** Each entry should be placed in its own separate envelope, and then all entry envelopes should be gathered together in one box or package.

Send contest fee payments (if not paying online) and hard-copy entries to:  
Iowa Newspaper Foundation  
319 East 5th Street  
Des Moines, Iowa 50309

**Judging.** Judging for the 2024 Better Newspaper Contests will be provided by members of the *Illinois Press Association*.

**Awards.** First-place plaques will be awarded in each class. Certificates will be awarded for second and third place. There will be no honorable mention awards. Judges will be instructed to award a first, second and third place winner in all contest classes for which at least six entries were submitted; if a contest has five or fewer entries, it will be at the judge's discretion whether to select a third place. Awards will be presented during the Awards Banquet at the Annual Convention February 8, 2024.

**Entry Fees.** There will be an entry fee of \$6.25 for each contest entry. The entry fee must be paid online when submitting entries or mailed to the INF with mailed contest entries.

# CONTEST ENTRY PROCEDURES

## Eligibility

Any INA Active (newspaper) member in good standing may enter the contests. Eligible publications must meet the definition of an active INA member as outlined in section 3.2 of INA by-laws, including but not limited to having a paid circulation of at least 50 percent of total circulation, publishing 50 times per year and having completed one year of publication with a Periodicals mailing permit.

Entries not produced by a member(s) of the newspaper staff must meet **all of** the following criteria to be eligible:

- The newspaper paid to have the content created;
- The content was created as the result of a contract directly between the newspaper and the freelancer (no third party was involved in the transaction);
- The newspaper had substantial editorial and content control (syndicated or wire service material is not eligible for submission).

## Entry Classes

There will be two multi-day entry classes and three weekly entry classes. Weekly classes will be determined by dividing weekly newspapers in thirds based on newspaper participation of the previous year. The 2022 Statements of Ownership will be used as the determinant of each paper's circulation. A newspaper that combines or changes class will be judged in the class in which it published the majority of the year. The newspaper will be responsible for submitting documentation to INA staff.

Multi-day and weeklies must compete in their respective divisions and class sizes.

**Twin weeklies, semi-weeklies and tri-weeklies should be considered one newspaper** for contest purposes. For these newspapers, the issue with the largest circulation published in the 2022 Statements of Ownership will determine the newspaper's circulation entry class.

*See the box below for a breakdown of classes by circulation.*

ENTRY CLASSES	
WEEKLY division	MULTI-DAY division
CLASS I - once/week - 755 and under	CLASS IV - Multi-day - 3,750 and under
CLASS II - once/week - 756-1,260	CLASS V - multi-day - 3,751 and above
CLASS III - once/week - 1,261 and above	

**Collaborative entries appearing in more than one paid or unpaid editorial publication must be entered in what would be the contest class of the larger (or largest) publication.**

However, a **non-collaborative** photo or story produced by a staff member(s) of one newspaper may be entered in that newspaper's class, even if it is also published in another newspaper. Advertising-only publications are not to be included in the determination of contest class. Entries from auxiliary publications of an active member — shopper, total market coverage product, special sections labeled as part of the newspaper, niche publications — will be accepted if the auxiliary publication is distributed with the member newspaper on a full run or zoned basis.

## Entry Submission

**All entries except Total Newspaper Design should be submitted online at [BetterNewspaperContest.com](https://www.betternewspapercontest.com) unless noted with  symbol.** For entries that can be submitted by mail, entry labels must be created through the online entry site. It is important that you use the required entry tags as they contain specific codes that judges will use to enter their results online.

For mailed entries, each entry must be placed in a separate envelope, with entry tags attached to each entry AND to each envelope.

**Entries may be submitted as full-page (PDF) tearsheets or whole issues.**

## Digital Entry Submission

Content published on digital platforms is eligible for entry in select categories. The complete list of eligible categories is below. For these categories, your entry submissions may have been published in printed form, digital form or a combination of the two. All print entries must be full page tearsheets.
