

# We can stop HIV, Iowa: by staying up-to-date on recommended screenings!

Health screenings help identify  
illnesses before you have symptoms.  
The CDC recommends:

**All people ages 18+** get  
screened for **hepatitis B** at least  
once in their lifetime.

**Pregnant women** get screened for  
hepatitis B during **each pregnancy**.

Talk to your healthcare provider today!
